

Hawk Wall OutDoor

Strong Build quality makes the Hawk the ideal kiosk for most outdoor applications.

Excellent for public information, tourist and city information and similar outdoor kiosk projects.

This wall-mounted version retains all the advantages of the standard model whilst the variable mounting height enables access by wheelchair users and children.

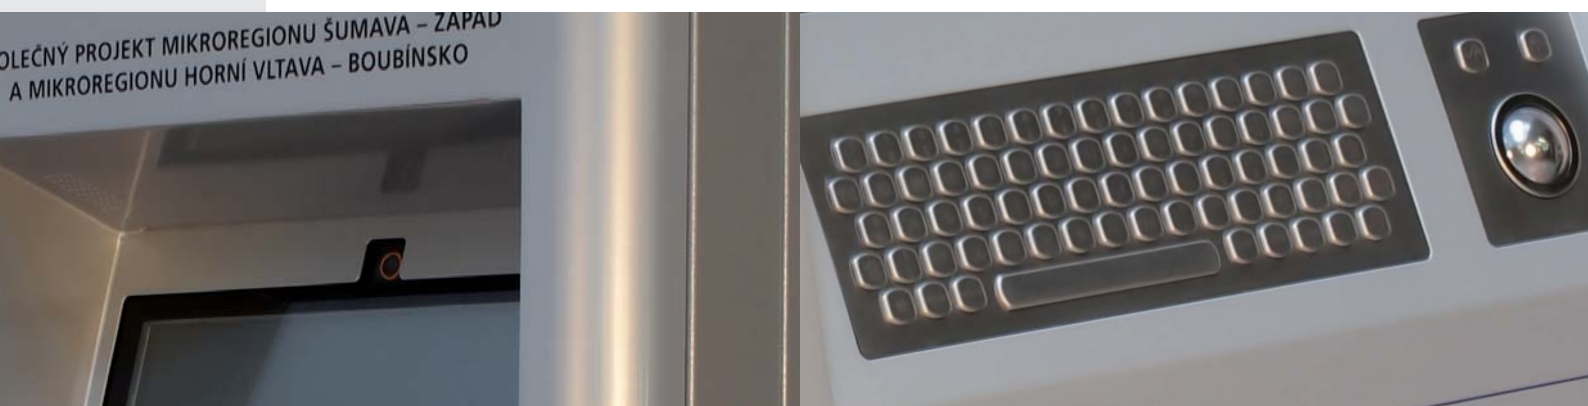

General Description:

- Zinc coated chassis plus special RAL outdoor paint
- Multipoint safetylock
- Full thermal insulation
- Temperature and humidity inside the kiosk is controlled by thermostat and hygrosat sensors
- Fully secured wiring is installed for maximum user safety and kiosk hardware protection
- Wiring includes: Current protection, High voltage protection, Circuit breaker, Thermostat and Hygrosat, Ventilation and Heater
- Dimensions: 1250(H) x 570(W) x 210(D)mm

Standard Specifications:

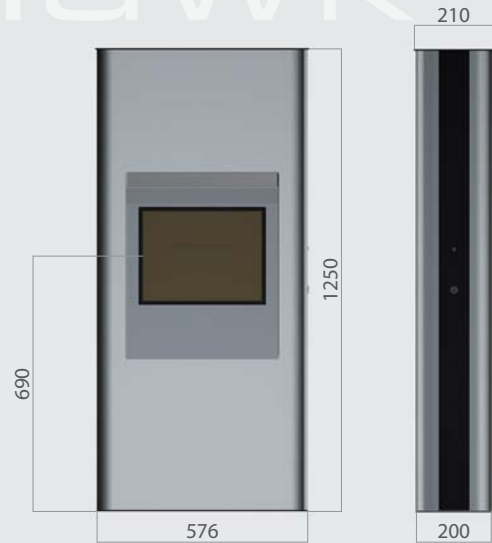

- 19" LCD with vandal-proof touch screen
- Small Factor Size PC in custom configuration
- Active speakers
- The Hawk is available in many different configurations all depending on the application
